I think this a West Virginia redNecK Meteorite (no guarantees)

129 grams

Me and Cletus found this in a field a few days ago.. Cletus claims its a meteorite and knows where theres more of them.

Looks like a heavy rock to me, But you decide

Quantity just 1

what does Billy Bob claim these West Virginia meterorites are good for?

- (1) paper weights
- (2) Door stops

- (3) redneck can and bottle openers
- (4) Toothpicks (keeps your tooth clean)
- (5) great for self protection ,scares burglers off when they see the meteroite
- (6) great for meditation if one falls on your head.. awakens your inner spirituality really dang fast.
- (7) The only medical uses we found so far, was that they are good for removing cold sores and gets rid of toenail fungus as soon as your drop it on your toenail.

Now what you can not do with them

Not to be used around children ,dogs,cats, pregnant women and men who are using power tools

Do not eat

Do not give to your wife if you come in late from a bachelor party

Do not .I repeat : Do not put in a microwave oven

that being said..Be the first to own this redneck meterorite
