Seller's description

Cletus just dug this keeper up in his field while plowing up dirt in his field in Grafton Taylor County West Virginia..

Cletus claims its a redneck meteorite with a circle hole in it.

Very odd and totally bizarre (no guarantees what it is)

55 grams

Looks like a heavy rock to me , But you decide

Quantity just 1

I just Guarantee these West Virginia meterorites for.

- (1) paper weights
- (2) Door stops
- (3) landscaping
- (4) great for self protection ,scares burglars off when they see the meteroite. Hurts too.
- (5) great for meditation if one falls on your head.. awakens your inner spirituality really dang fast.
- (6) The only medical uses we found so far, was that they are good for removing cold sores and gets rid of toenail fungus as soon as your drop it on your toenail.

Now what you can not do with them

Not to be used around children ,dogs,cats, pregnant women and men who are using power tools

Do not eat

Do not give to your wife if you come in late from a bachelor party

Do not .I repeat : Do not put in a microwave oven (we tried it and it blew up the microwave in 3 minutes) ;(

that being said..Be the first to own this West Virginia Preston County redneck meterorite
